## Message from Mrs Lamb

As we come to the end of the Spring term, albeit a very different term to the one we would have hoped and planned for, I have been so proud of all our children. They have risen to the challenge that they have been faced with and together as a community we have ensured that all our pupils continue with their education. I am sure you will agree that we hope for a more normal summer term and look forward to when we can all get together once again as a community.

Thank you again for your continued support and we wish you all a restful break.

Please follow the link below to hear from Mrs Lamb about what we have been doing during the Spring term.

# Together we have.....

	Had a smooth transition to school in March		Welcomed 10 new children into our school community		Continued our curriculum
	Launched STAR standard		Taken part in fundraising events for Comic Relief		Enhanced our curriculum through a visiting theatre group
	Conquered virtual learning and parent consultations & Provided laptops for families		Continued our sports offer		

## House Dodgeball Tournament

Red Nose Day saw our 'Super-Pupils' take to the dodgeball court in the latest house competition! Following a pupil voice survey in which all children were given the opportunity to decide which sport they would like the event to be, dodgeball was strongly voted for with only tag rugby and basketball in close contention.

Donning their fantastic Super-Hero inspired fancy dress, children gave a great display for their respective houses. Our whole school value of equality was the theme for the day and the children displayed this by ensuring all members of their team were treated fairly and given the chance to shine!

Congratulations to #TeamEagles who continued their good run and took a well-deserved victory. A special mention to #TeamHawks who were awarded house bonus points for consistently promoting equality and fairness in their matches.

# Newsday Tuesday

*Week Commencing 22nd March 2021*

What's going on this week?

Sunday 21<sup>st</sup> March is census day in England, Wales and Northern Ireland. The survey provides a glimpse of life, which can be used by organisations to help make sure they provide the right services for people. The 2021 census in particular, will help us understand how coronavirus has affected everything from our health to our finances. Due to the pandemic, Scotland have decided to hold their census next year.

*Things to talk about at home...*

- ♦ Can you find out who has completed the census in your household? What kind of questions did they need to answer?
- ♦ Can you remember the last time you (or your family) completed a form for something else, it could be to join a club or to order something? What questions were asked?
