THIS WEEK'S SUPERSTAR

IS:

LEIA COLLIER

Leia has shown an excellent attitude to learning this term. She is an exemplary role model, taking control of her learning and pushing to achieve more.

This Week's House Points

Harriers (red) : 55

Eagles (green) : 86

Hawks (yellow) : 57

Falcons (blue) : 73

SCHOOL UPDATES

Class Transition Afternoon

We will be holding a Class Transition afternoon on Wednesday 7th July from 1:00-3:00pm, so that the children can meet their teacher for September 2021 and familiarise themselves with the new classrooms. It will also be an opportunity for new starters and children joining us in Pre School to have a visit and a meeting with staff. Of course this will all be dependant on guidance with regard to Covid and any restrictions that may be in place.

Oak and Beech DT project

Oak and Beech Classes are going to be making vehicles as part of their DT Project this half term. They were hoping you could help out by saving any cardboard boxes you may be sending to the recycling? They don't need to be too big (we don't have space to park them all) cereal, shoe or cracker boxes would be the perfect size !

Dates For Diaries

Monday 14th June

Impressions Photography
(class groups)

Monday 28th June

Year 6 Ryedale School
Literacy Day

Thursday 1st July

Ryedale School Open Evening
7pm

Reminders

- **Impressions Photography** will be in school on Monday 14th June to take class group photographs. Please ensure your child is wearing the correct school uniform, hair is tidy and they bring along their smiles.
- **PE Kits**— children should have PE kits in school at all times, going home on a weekend to be washed. The kit should consist of a blue school PE top and shorts with suitable footwear .
- **Sunny weather preparation. It looks like summer has arrived!** For protection from the sun, please make sure your child had sun cream applied before coming to school and a named hat is useful. Water bottles also should be provided especially as we are unable to use the water fountains at the moment. Water bottles can be refilled from the taps in the classrooms
- **Please check Parent Pay accounts and settle any outstanding balances.**

This

Wellbeing Wednesday

week we have been introduced to the super-power of Music. Music man uses the power of music to help change his mood. He knows that music is very closely linked to emotions. We have looked at how music can be used to cheer us up when we are feeling down or to help calm us down when we are feeling excited, angry or worried. Do you have favourite pieces of music that help to cheer you up or help calm you down?

Helmsley Tennis Club

Following KS2's fantastic tennis lessons with local professional coach Damian Galloway, we would like to make you aware of the Helmsley Tennis Club timetable beginning in June:

Monday, Wednesday & Thursday:

- 3:45pm - 4:45pm (Mini Red)

- 4:45pm - 5:45pm (Mini Orange)

For further details, please contact Damian at damiangalloway@btinternet.com or 07970092535.

Newsday Tuesday

Week Commencing 7th June 2021

What's going on this week?

The government is trying to encourage greener farming methods and believes that the next generation of farmers will be best equipped to make these changes. The government hopes younger farmers will be more open to new nature-friendly farming ideas and would be more likely to set up other businesses such as campsites to diversify how farmland is utilised. It also wants to encourage sustainable approaches to farming which can help get the best out of the farm at the same time as caring for the environment.

Things to talk about at home...

- ◆ Have you ever visited a farm, or do you know any farmers? If so, what do they farm?
- ◆ Thinking about the role of a farmer, which part of the jobs do you think would be interesting and which do you think would be challenging?
- ◆ In a typical day, can you think of how many ways you have relied on farmers and agriculture? E.g., for your cereal at breakfast, to your drink of hot chocolate at the end of the day.
