SCHOOL UPDATES

Breakfast Club

If your child/children attends Breakfast Club on a regular basis and will not be attending, please can you either phone or email to inform us of the absence. On occasions we are able to offer the space to another child who needs a one off place. Thank you.

Sports Day

As you will be aware Covid restrictions are not being lifted any further on the 21st June. Unfortunately, this will impact on our planned Sports Day. As an Academy we have decided to go ahead with Sports Day but will be unable to accommodate parents as spectators.

We will be able to separate the children in their class bubbles and equipment will be sanitized between races.

We know this is disappointing but the safety of our pupils and their parents is paramount at this time.

Wellbeing Wednesday

She has the ability to create a safe forcefield any time she needs it. By creating a 'safe zone' around her she is able to relax and block out any negative emotions. It can also be used to deflect negative energy aimed at her by someone else. Zone Maker has helped us to think about our personal space, what helps us to feel safe and strategies to help us be resilient against negativity.

Newsday Tuesday

Week Commencing 14th June 2021

What's going on this week?

The world number two female tennis player, Naomi Osaka, has withdrawn from the French Open tennis tournament after the controversy over her refusal to speak to the media at the tournament. She announced her decision in a recent Twitter post. The 23-year-old Japanese player said last week she would not do news conferences at the event to protect her mental health.

Things to talk about at home...

- ◆ Are there any sports stars who you admire and enjoy watching?
- ◆ Do you watch any sports on television or online? If so, which do you enjoy?
- ◆ Have you seen any interviews with sports stars after the match or competition has ended?
- ◆ Do you think interviews after the sport has finished are important? Why?

Dear Parents,

This is a gentle reminder to complete our survey on environmental issues in Helmsley.

You may have received a paper version with the recent Church Newsletter delivered across the town, and if so, completed surveys are returnable at Elijah Todds and Costcutter.

Or you can complete the survey on line via local Facebook groups (Love Helmsley, Helmsley Moan and Helmsley Banter). Search in the groups for Eileen Shearer and the logo will come up. The survey link is at the bottom of the post.

It only takes 5 minutes!

And you might want to join us: the more the merrier, there's a sign up section in the paper survey, or PM me from the Facebook post.

Our deadline is 30th June.

Thank you very much in advance for your responses – they will be very helpful in guiding our future activities to contribute to a greener Helmsley.

Wendy Rushton and Eileen Shearer
