- **Please check Parent Pay accounts and settle any outstanding balances.**

Wellbeing Wednesday

This week 'The Imaginator' demonstrated his skills of letting his imagination run wild!

THE IMAGINATOR!

The Imaginator has the power to use his imagination to build his self-confidence and overcome difficulties. The children learnt about the power of positive visualisation and how to use it to overcome difficult situations that they may encounter. The children were introduced the term fight or flight and how using your imagination can help overcome this.

Basketball

We had a basketball coach in school on Wednesday. The children had a super day playing basketball and learning new skills. As you can see from the pictures they all had great fun.

Newsday Tuesday

Week Commencing 21st June 2021

What's going on this week?

The electric scooters, also known as e-scooters, are now available to rent in selected areas of London as part of a one-year scheme to measure their feasibility. As part of the trial, conducted by TFL (Transport for London) and London councils, the scooters are banned on pavements and limited to 15.5mph. Privately owned e-scooters remain illegal on most roads and cycle lanes due to a law dating back to the 1800s.

Things to talk about at home...

- ◆ Have you seen an e-scooter before? Where was it used?
- ◆ Do you think that e-scooters are safe to use on our roads?
- ◆ What is the transport like where you live?
