History Work Shops

Maple and Silver Birch Classes had a wonderful day yesterday taking part in some History workshops based on the Stone Age and the Victorians, consolidating their knowledge of what they are learning in class with an interactive experience of what it was like in days gone by. As you can see from the photographs they all had an amazing time and loved dressing up.

Newsday Tuesday

27th September 2021 What's going on this week?

It is estimated that people in Britain are sending over 1.6 billion non-biodegradable face masks to landfill every single month, according to research conducted by shopping comparison site, finder.com. To reduce this, a new scheme has been introduced in Brighton and Hove to recycle face masks and other personal protective equipment (PPE). Special bins have been installed to reduce the amount of PPE litter, which is used to make more bins and other plastic items.

Things to talk about at home...

- ◆ Which face masks have you seen people using?
- ◆ Would you know where to recycle disposable face masks? Is there anywhere in your local area?
- ◆ Overall, do you think cloth masks or disposable (if recycled) masks are better to use?

Ryedale Lions

Please help bring some Christmas cheer to children across Ryedale and raise funds for local good causes.

We need volunteers to tour local towns and villages alongside the Lions Santa sleigh and collect donations.

The sleigh runs most evenings and weekends during December and Santa urgently needs more helpers to make sure all the children get a chance to meet him.

Please give just a few hours to help those in need and help spread some happiness.
