Newsday Tuesday

17th January 2022 What's going on this week?

In the news this week

The Chinese authorities have banned footballers from getting tattoos and instructed national team players, who already have tattoos, to remove them or cover them up to set a "good example for society". A growing number of Chinese players have tattoos, including the international defender Zhang Linpeng, who has previously been told to cover up while appearing for the national team and his club, Guangzhou FC.

Things to talk about at home ...

- > Can you think of situations where there are rules about your appearance? E.g. school uniform or shoes you need to wear for sports. Share different examples and why you think the rules are in place. Do you think they are important? Discuss why or why not.
- > Do you think it's important that footballers set a good example for society?
