YOUNG VOICES

What a night! The children had an absolutely amazing time at Sheffield Arena taking part in the spectacle that is Young voices.

We had a few bleary eyes this morning after a late night but the experience was well worth it. The children conducted themselves exceptionally and were great ambassadors of the school and we are very proud of them.

A huge thank you to all the staff who accompanied the children to the event.

Newsday Tuesday

In the news this week

Access to a new scheme offering free pet healthcare across 38 European countries, is now available to Ukrainian refugees, who have left the country with their pets to avoid the conflict. Refugees will be able to have treatment costs covered for up to five dogs, cats, horses or other animals as a result of the effort by Humane Society International (HSI). The project, called, Vets for Ukrainian Pets, will provide up to £209 per pet for care and medication.

Things to talk about at home ...

- Do you have any pets at home? Share your experience of keeping animals at home.
- Can you think of any examples of animals that people own that aren't pets? E.g., farm animals.
- Do you think the project, Vets for Ukrainian Pets is a good idea? Share your thoughts on the project. Do you think any more can be done to help the pets of the refugees?
