SCHOOL UPDATES

Extreme Weather Warning

We are preparing to respond to the severe weather warning for heat issued by the MET office for Monday and Tuesday next week. The following adjustments will be in place:

- Children will be able to take shade on a break and lunchtime.
- Children will be encouraged to keep hydrated throughout the day. Please ensure your child comes to school with a refillable bottle.
- We recommend that your child comes to school wearing the school summer uniform options i.e. school shorts or summer dresses. However, if your child hasn't got a summer dress or school shorts, they will have the option to wear their school PE kit.
- Classrooms will be well ventilated and fans will be used in rooms which get particularly hot.

We hope you feel reassured by these measures.
